MONAMI

is always
with you.

Monami is Korea's leading stationery company.

Monami has been present in the daily lives of consumers with a philosophy,
"A pen readily available for anyone, anyplace, anytime."

Ballpoint pens and markers that are always found on desks.

Board Markers used in class-rooms and Permanent Markers are used to
label personal belongings...

Monami is recognized for the expertise and technological competence brought on
by the establishment of the in-house Research Institute.

The Monami Research Institute is made up of researchers who work in teams set up
according to writing instrument categories.

Due to this effort, Monami has obtained capabilities to manufacture its own ink and
develop new technologies.

We also have a manufacturing facility in Thailand which is equipped for self-sufficient
production with optimized specifications.

With the diverse product lines, Monami responded swiftly to the shifting trends and
consumer preferences by planning the future in the new areas such as industrial,
and lifestyle, not just as an everyday writing instrument company.

Monami will continue to experiment and pioneer the way to provide pens for people
and places that need them.

Gripix · Z

- EN** · Choose from white, black, and translucent types according to your preference

· Made with Monami's technological power built over a long time, the erasers can be used with a light touch with less shavings produced.
- ES** · Elija entre las variedades blanca, negra y translúcida según su preferencia

· Hechos con el poder tecnológico acumulado por Monami a lo largo de mucho tiempo, los borradores pueden usarse con un toque ligero, lo que produce menos virutas.
- FR** · Choisissez les types blancs, noirs et transparents selon vos préférences

· Fabriqués avec la technologie performante et éprouvée de Monami, les gommes peuvent être utilisées en appuyant très légèrement et produisent moins de copeaux.
